**We have changed the Trials and Pool Training:**

**Highlighted areas are where we made the changes**

**Reschedule Trial**

**November 2-3, 2024    Lake Myrtle Sports Complex**

**2828 Lake Myrtle Park Road Auburndale, FL 33823**

**NO POOL TRAINING THIS WEEKEND**

**There is a difference with trials and pool training. We are looking for players who are at the state pool level at the trials.**

**Pool training, we are trying to get the players ready as a team to travel to various events. I know I have gotten lots of coach recommendations for players. That does not put them in a pool just allows them to play with the pool players. The different focus of the coaches does not allow them to look at the players in the same way. We still have that option though.**

**So, I think if you have that November 2-3 weekend open (or partially open) I would do the trials instead of pool training.**

If you are a player 08-13 You would need a coaching recommendation for 2008-2013 pool training and your fee for this weekend covers it. November, December, January, or February. (earliest date is better to come for the following sessions) <https://www.fysa.com/odp-calendar/>

**They are not part of the FYSA Pool.**

He/she is brought as a trialist for the weekend he chose to attend. They will be given a trial shirt. The age group coaches will evaluate him/her in this setting and will let them know if they were added to the FYSA Pool at the end of the weekend.
